

AIR DRAULIC ENGINEERING

ADE

CUSTOM CONVEYING SYSTEMS

Rotary Packing Table

Air Draulic's rotary packing table is ideal for bag packaging when accumulation is necessary. Available in 36", 48", and 60" diameters, custom heights, and portable.

Wishbone Packing Table

The "wishbone" table is the perfect compliment to the rotary table, shown here together. Available in custom heights and portable.

Bulk Packing Stands

Built to your specifications, these durable work stands serve a multitude of functions. Use them as work stations or as a display. Supplied with adjustable leg supports.

Portable 2 Shelf Table

Upper shelf hinges up when not in use.

Adjustable Height Packing Shelf

Do you have several sizes of boxes handpacked at the same location? These adjustable shelves make it easy to do just that. Supply us with all of your box sizes, and we'll take care of the rest.

Portable Pack Center

This versatile, all-stainless system allows packing to be done in multiple locations.
